they

were

how

her

|                                  |  |
|----------------------------------|--|
| people                           |  |
| after                            |  |
| to                               |  |
| at                               |  |
| when                             |  |
| up                               |  |
| two                              |  |
| my                               |  |
| words                            |  |
| in                               |  |
| be                               |  |
| we                               |  |
| out                              |  |
| like                             |  |
| Category: 41-60 - (20 questions) |  |
| made                             |  |
| called                           |  |
| is                               |  |
| this                             |  |
| there                            |  |
| them                             |  |
| him                              |  |
| over                             |  |
| just                             |  |
| you                              |  |
| from                             |  |
| can                              |  |
| then                             |  |
| see                              |  |
| did                              |  |

|                                   |  |
|-----------------------------------|--|
| where                             |  |
| that                              |  |
| I                                 |  |
| an                                |  |
| she                               |  |
| Category: 61-80 - (20 questions)  |  |
| time                              |  |
| down                              |  |
| most                              |  |
| it                                |  |
| have                              |  |
| your                              |  |
| many                              |  |
| could                             |  |
| only                              |  |
| know                              |  |
| he                                |  |
| or                                |  |
| which                             |  |
| some                              |  |
| no                                |  |
| way                               |  |
| for                               |  |
| by                                |  |
| their                             |  |
| so                                |  |
